

On behalf of the ODTU-GUNAM management, we would like to invite you to work at ODTU-GUNAM within the scope of TUBITAK's "Co-Funded Brain Circulation2 Scheme (CoCirculation2)" program

Middle East Technical University Center for Solar Energy Research and Applications (ODTÜ-GÜNAM) offers multiple positions to experienced researchers in the fields of silicon and emerging photovoltaics (i.e., perovskite and tandem), light management, module development, concentrated solar power, power electronics for MSCA Co-Fund program called "CoCirculation2".

ODTÜ-GÜNAM is willing to host post-doctoral researchers or researchers with more than 4 years of professional experience in accordance with "CoCirculation2" Program.

ODTÜ-GÜNAM at a Glance

The Center for Solar Energy Research and Applications (ODTÜ-GÜNAM) is a **multi-disciplinary center of excellence in the area of solar energy science and technology**. With rich infrastructure and human capital, ODTÜ-GÜNAM is the leading and most comprehensive national center in the development of solar energy technologies including photovoltaic, concentrating solar thermal, and cross cutting technologies such as high-performance buildings, smart grids, and smart cities with a mission to be a global player in this field. (<http://gunam.metu.edu.tr/>)

"CoCirculation2" Program

The program aims to invite Experienced Researchers of any nationality into Turkey for research in academic or non-academic institutions. The program enables researchers to enhance career development via advanced training, international and intersectoral mobility opportunities through incoming mobility into Turkey.

Duration of the fellowship is **12 months**. Fellow may propose secondment to academic or non-academic institutions either in or out of Turkey up to 3 months.

Fellows will receive a **monthly salary of 5050 € and an allowance of 800 €** for research, training and networking.

Eligibility Requirements

- Experienced Researcher (ER), i.e., researcher who, at the time of the relevant deadline for submission of proposals, is in possession of a doctoral degree or have at least four years of full-time equivalent research experience
- Any nationality or age
- Have a project topic in mind to submit as a proposal

For detailed information related to eligibility requirements please visit <https://cocirc2.org.tr/eligibilityrequirements/>

The 4th Call for the 2236- Co-Funded Brain Circulation Scheme will be open from **26.08.2021** to **15.11.2021**

All applications must be submitted electronically via e-BİDEB portal, which can be reached at <http://e-bideb.tubitak.gov.tr/>

For further information please visit <https://cocirc2.org.tr/> , <https://tubitak.gov.tr/en/content-scope-of-the-support-5>
